

4-20-2020

Greetings to all in the Harmony Parish (Buffalo/St. Paul/Our Savior):

In these uncertain times, it has been difficult to give up the fellowship of our weekly services and especially to pass through the Easter season in isolation. We do have the assurance that Christ has indeed risen! In 2020 we can identify with the disciples, alone and in silence, counting on our faith to outweigh our fear.

In addition to missing weekly services, our women are missing Bible Studies, quilting bees and of course our Spring Soup & Sandwich. I hope you all are still reading and studying and a few ambitious ladies are even quilting at home- and sewing much needed masks.

We have not rescheduled our S&S luncheon, but we definitely will be raffling the beautiful quilt made by Wendy Pueppke, along with several other desirable prizes. At this time, I'm guessing the raffle may be early September. So if we don't connect face to face, you may mail ticket money to Karen Tabor or Bev Jager - \$2 each or 6 for \$10. We have given more donations than budgeted to desperate organizations (eg: food pantry) so please support our benevolences.

I pray all our beloved members will remain safe and healthy. God be with you 'til we meet face to face again.

Karen Tabor, Buffalo Lutheran WELCA
